CHECK THE FACTS

Learning about the candidates and issues and want to check the facts?

1. Ask or look for evidence
2. Read what other fact-checkers have found
3. Search Google - and keep searching, using different keywords
4. Search the Deep Web, including the Wayback Machine
5. Look for experts with different perspectives
6. Check books and publications
7. Ask yourself: what else do I need to find and analyze before my fact-checking is a success?
