Pick and predict

Before you watch or read about the candidates:

- Decide which 1-3 topics are most important to you.
- Then decide which 1-3 topics you predict the candidates will talk about.
- Are the topics you picked the same, or different, as the ones you predict they will talk about?

Watch or read about the debates and candidates:

- Were your topics covered? How many times? Did you correctly predict what the candidates would talk about?
