HIGH SCHOOL STUDENTS

Join us for the 4th annual Youth Summit. This is a great opportunity for you to collaborate, build leadership skills and discuss ways to make a difference on government policies, issues and decisions that impact YOU.

Who's invited? Student leaders and emerging leaders. If you care what happens at your school or in the community, you're a leader.

- Build leadership skills and learn about government
- Collaborate with other students to develop a Youth Agenda—what do YOU think government leaders should be working on?
- Talk with other teens about ways to connect every high school and youth organization with public officials, policy-makers and decision-makers
- Get info about youth involvement for Charlotte in 2012 DNC convention (nonpartisan)
- Represent your school, youth program or interests in community issues, policies and decisions (schools, parks, transportation, safety, environment and more)

The Youth Summit is hosted by Youth Voice Leadership Alliance, a student civic leadership program of GenerationNation (formerly Kids Voting) in partnership with CMS and other government agencies. Youth Voice is funded in part through the Crossroads Charlotte Front Porch program and State Farm.
