

## WRITE THE HEADLINE

Watch the convention speeches or news coverage. Pay attention, and answer these questions. Write your answers or share in groups or with your class or with your family.

- If you were reporting on the convention, a speaker, or candidate, what would your headline be?
- The next day, read actual headlines. Were you close? Were they right? Why or why not?
- Read headlines from different news sources. What do they say? How are they similar or different? Why?
